MG Logistics

About Us

Founded in **2009** and headquartered in Chennai, MG Logistics Pvt Ltd is a professionally managed, total logistics service provider offering end-to-end freight forwarding and supply chain solutions across the globe by air, sea, and land.

As a trusted name in the global logistics industry, we are committed to providing secure, timely, and cost-effective transportation solutions with personalized customer care. Over the years,

MG Logistics has earned a reputation for reliability, transparency, and ethical business practices making us a preferred logistics partner for clients and overseas partners across continents.

With an experienced and motivated team, advanced systems, and a strong international agent network, MG Logistics delivers reliable, innovative, and compliant logistics solutions to customers worldwide.

Our Mission

To be a leading global logistics provider, delivering reliable, cost-effective freight solutions and creating long-term value through excellence, innovation, and commitment to quality service.

Our Vision

To build enduring relationships based on trust, performance, and mutual growth, while contributing positively to society and the nation through sustainable logistics practices.

Our Work Culture

At MG Logistics, our work culture is rooted in ethics, professionalism, and mutual respect. We believe in empowering our people, nurturing long-term partnerships, and maintaining transparency.
